European Design and Style

TrendlineXL 5G showcases modern European designs in large format longboards, providing you with a superior finish and 'wow' factor for your home. The range includes 6 on-trend colours and designs making it easy to find a floor to suit your unique styling colour palette.

You can feel confident knowing our European manufacturer produces high quality boards every time and installation can be completed effortlessly with 5G Fold Down technology making boards easy to lay in previously difficult areas.

Backed with a 20 Year Domestic Warranty and 10 Year Commercial Warranty TrendlineXL 5G is a superior floor for you to enjoy.
