P.A. Suministro y colocación de chimenea tipo cassette modelo Ferlux Open 800 con puerta acristalada de guillotina en acero, incluso montaje, enganche, tubo, rejillas regulables, tabicado, enlucido de yeso y pintura.

The image contains architectural drawings and a photograph of the fireplace. On the left, there is a small inset photo of the fireplace unit. To its right is an elevation drawing labeled 'ALZADO' showing the fireplace in a room context with a door, a TV, and a chair. Below that is a floor plan labeled 'PLANTA' showing the fireplace's placement in a room with furniture. The floor plan includes dimensions: 0.69m for the fireplace's depth, 1.45m for its width, and 0.86m for the distance from the wall to the right side of the unit. On the right side of the complex block is a photograph of the fireplace installed in a white wall, showing a fire burning inside. Below the drawings and photo, the text reads: **34 VIVIENDAS UNIFAMILIARES. CHIMENEA FERLUX OPEN 800 11/10/06**
